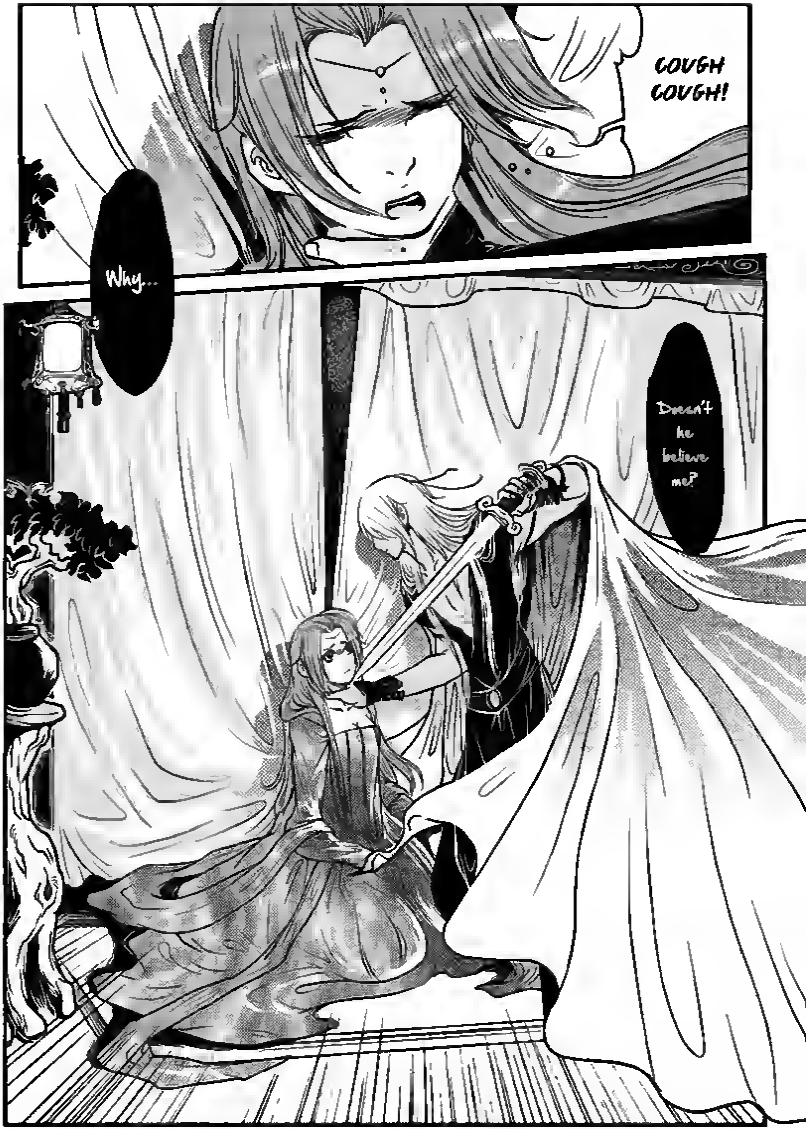
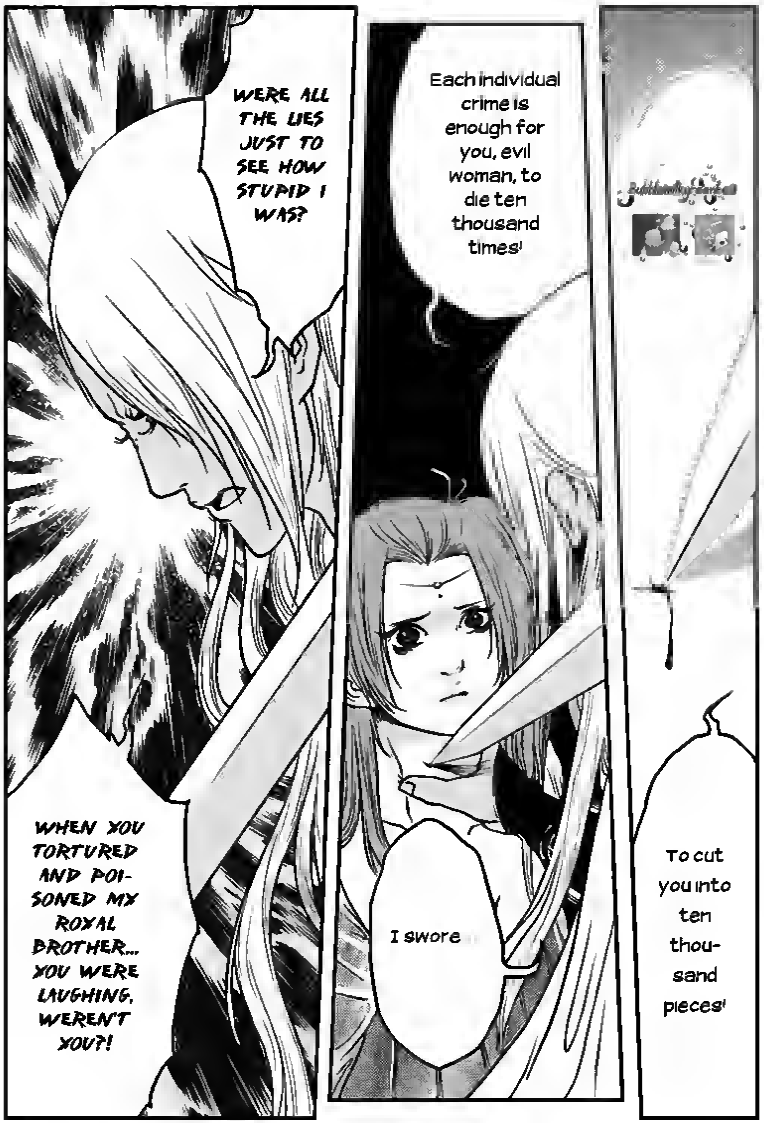
You are the prince?
Could it be that you have been fooling me all this time?
No No I wasn't!
You're mis-taken! I'm not the prince!
HIM!
HE'S AC-TUALLY THE REAL PRINCE!

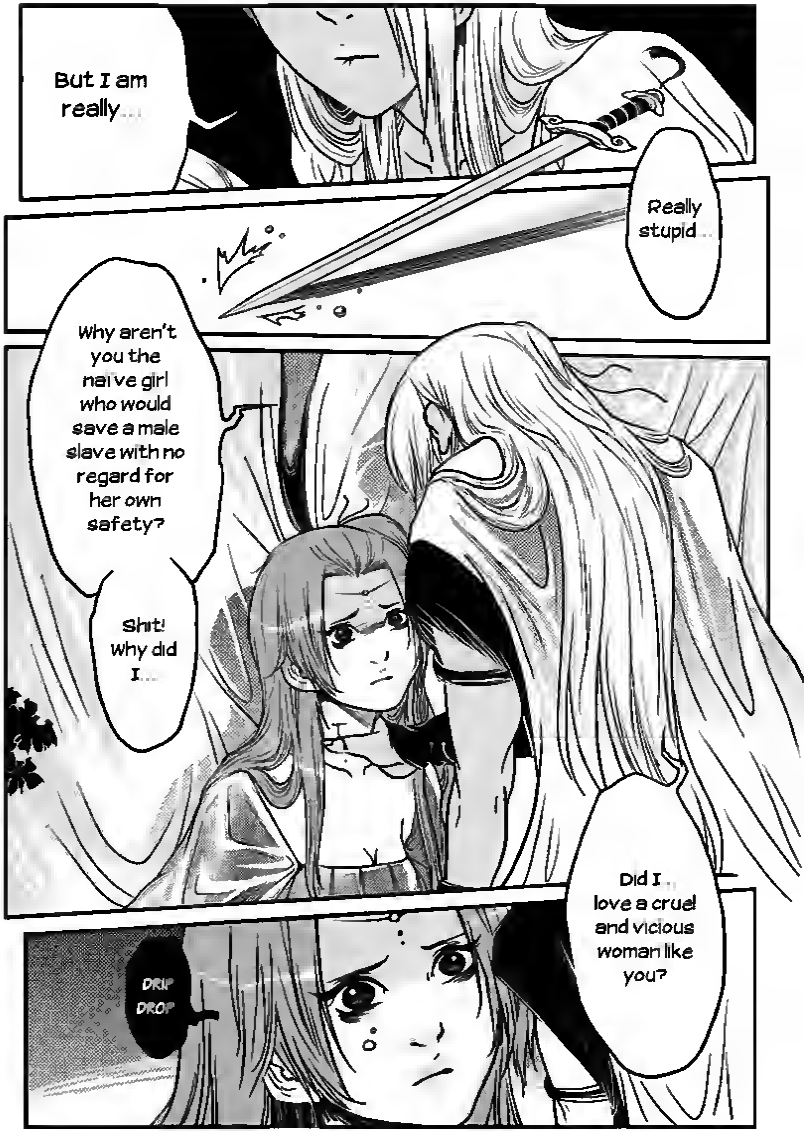
This.
What?
How can I be the prince of the Land of Women?
YOU'RE REALLY TOO SHAME-LESS!
YOU YOU YOU...!
Yes! This lowly one will take his leave.
You are dis-missed
Wh... what?



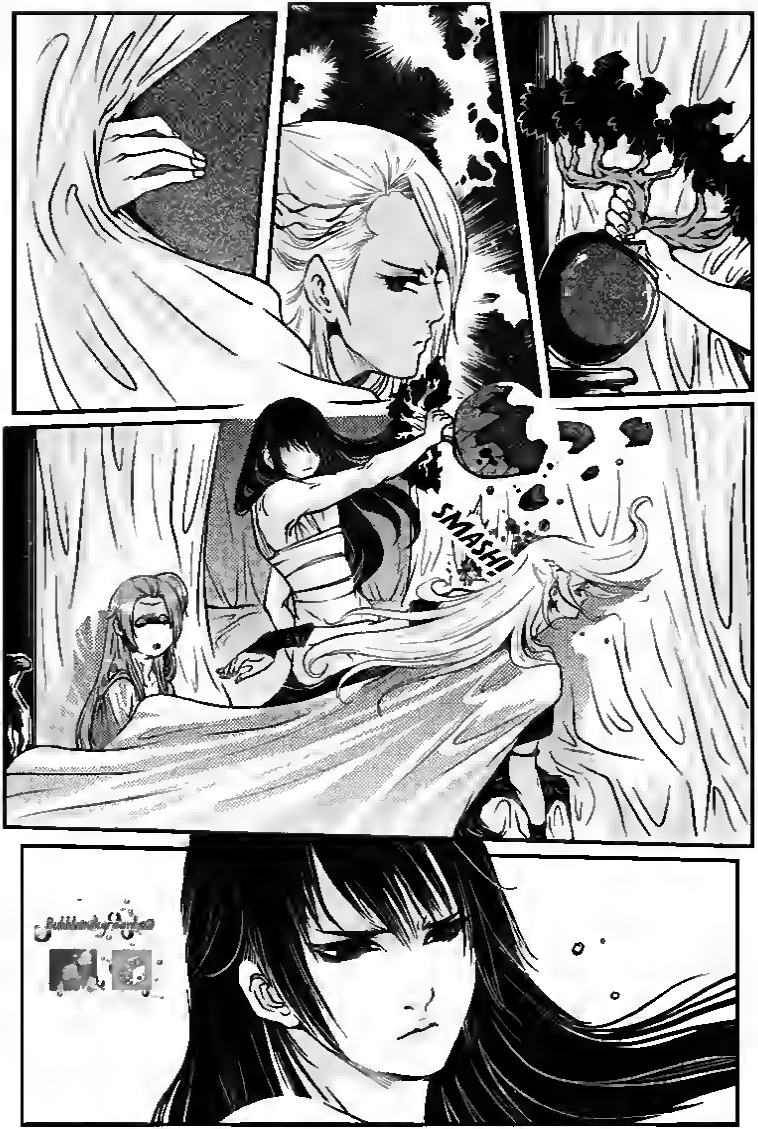
COUGH COUGH!
Why...
Doesn't he believe me?



WERE ALL THE LIES JUST TO SEE HOW STUPID I WAS?
WHEN YOU TORTURED AND POISONED MY ROYAL BROTHER... YOU WERE LAUGHING, WEREN'T YOU?!
Each individual crime is enough for you, evil woman, to die ten thousand times!
I swore
To cut you into ten thousand pieces!



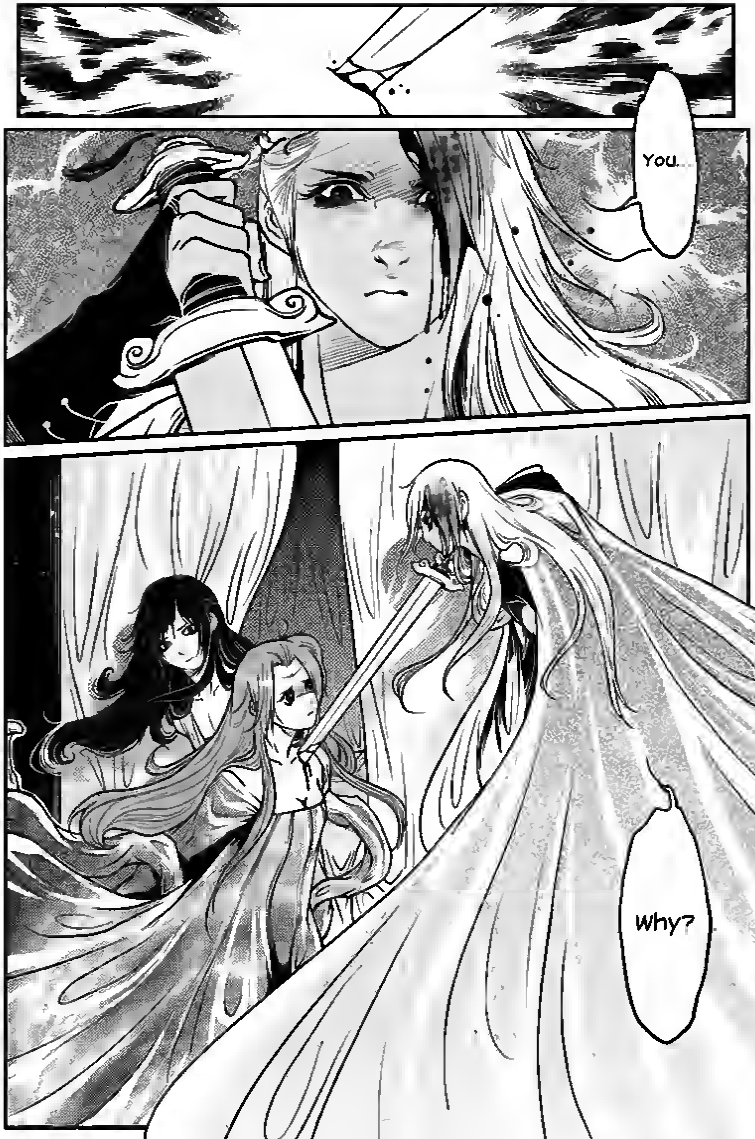
But I am really...
Really stupid..
Why aren't you the naive girl who would save a male slave with no regard for her own safety?
Shit! Why did I...
Did I.. love a cruel and vicious woman like you?
DRIP
DROP



SMASH!!

Lie Long!
Are you alright? Did he hurt you?
Qing-Feng
I'm fine...
You finally left this place...
Why did you come back?

Because. I was worried about.
YOU!
Silly...



You...
Why?

BAS-

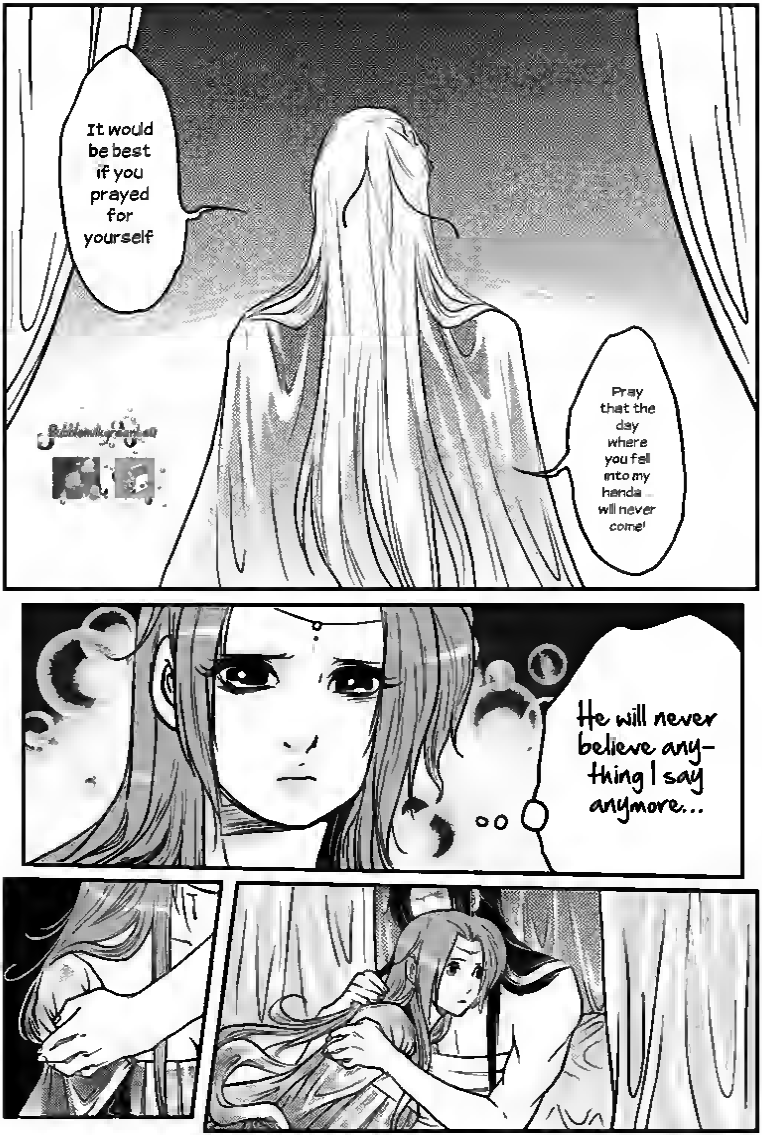
You would die for this man?
Yes!
Hurry and let me see your wound!
It's fine. It's just a skin wound



It would be best if you prayed for yourself
Pray that the day where you fall into my hands will never come!
He will never believe anything I say anymore...

I thought I would never see you again... Let's escape together now
I should be happy right now...
But why... does it feel like my heart is empty?
creaaak
King!

Summon the entire army.
